Two Day National Conference on
**RECENT TECHNOLOGY INNOVATION
TOWARDS BEST PRACTICES OF LIBRARIES
IN THE KNOWLEDGE SOCIETY**
[RTIBPLKS-2023]
(Sponsored under RUSA 2.0)

12th and 13th April 2023

Organized

**CENTRAL LIBRARY
ALAGAPPA UNIVERSITY**

Alagappapuram, Karaikudi, Tamilnadu, India
www.alagappauniversity.ac.in

ALAGAPPA UNIVERSITY

Alagappa University is located at Karaikudi in Tamil Nadu is accessible from Madurai (Code : IMX) and Tiruchirappalli (Code : TRZ) airports within two hours. The 440 acre green and lush campus houses all the academic activities. This University has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist Dr. RM. Alagappa Chettiar during 1950's. Alagappa University was brought into existence by a Special Act of the Government of Tamil Nadu in May 1985 with the objective of fostering research, development and dissemination of knowledge in various branches of learning. Alagappa University is recognized by the University Grants Commission (UGC) of India. The University has 44 Departments, 9 Centers and 2 Constituent Colleges on its campus. 46 Affiliated Colleges located in the districts of Sivaganga and Ramanathapuram are part of the University. Of which one Autonomous College and one Alagappa University Model Constituent College of Arts and Science are located in Kilakkarai and Paramakudi respectively. The University offers education through Regular, Week-end, Distance and Collaborative modes. Through all modes of education, the University caters to the needs of the student communities an around 1.12 lakhs. As a member of the Association of Indian Universities (AIU), as well as the member of the Association of Commonwealth Universities (ACU), it has rewarding relations with other academic institutions, research laboratories and industrial establishments that promise a spectacular future.

CENTRAL LIBRARY

The Central Library of Alagappa University was started in 1987 and shifted to the present building in 1990. The magnificent, functionally convenient building built at a cost of Rs. 50 lakhs, thanks to the generous assistance from the UGC during VII Plan, and Government of Tamilnadu. The Library occupies an area of 2012 square meter with a seating capacity of 200+. Library operations are mostly computerized especially circulation of books and cataloguing. Currently RFID (Radio Frequency Identification) based Library Management System is implemented in the current year. This has made possible a user friendly self-checkout and self-check-in options, web based OPAC (Online Public Access Catalogue).Our University being a member of UGC-Infonet Digital Library consortium, under the aegis of the UGC, has access to e-

journals from various publishers according to the academic and research environment. As a member under Phase-III to the users can access journals form various reputed publishers and the popular bibliographic database, Web of Science has been added to the access recently. This service is IP based, and can be accessed in the Central Library, and also in the departments of this university.

About the Conference

Central Library of Alagappa University, Karaikudi is pleased to announce National Conference on RECENT TECHNOLOGY INNOVATION TOWARDS BEST PRACTICES OF LIBRARIES IN THE KNOWLEDGE SOCIETY [RTIBPLKS-2023] during 12th and 13th April 2023. Libraries of any type are confronting changes because of developments in ICT and its applications in libraries, changing user needs, data collection and the virtual platforms. Most of the services offered through electronic mode for which the libraries adopting digital technologies and implements latest technologies at a faster rate and the users' also preferring digital/virtual platform for accessing the resources. The library professionals need to equip their skills on digital technology and the vision of this conference is to enable the librarians to implement the latest technologies. In this connection, the theme of the conference is unique for managing the resources and disseminating the same to the users in the networked environment. The conference is designed in such a way that LIS community such as students, research scholars, LIS professionals and faculty members to discuss the most recent innovations, trends, and exchange their views and share their experience.
